Kia ora David - the process is well advanced. Your request has just been approved for payment. The administrative processes to actually make the payment now have to be worked through. To add in a margin of safety (because OTS does not control the actual process of funds transfer to your account) I would say you will see the money at latest by the end of next week.

How is the claimant funding requisition for Ngatikahu Ki Whangaroa Trustboard progressing?

Our meeting is this week 15 Sept and we have current and outstanding bills to pay.

We cannot progress with Tuia Group re: PSGE constitution or PSGE kaupapa. Please let me know what is happening.

Thanks for your phone call today David. I can confirm we have received your claimant funding application.

The application will be handled by

1, who is a member of our Te Taitokerau negotiations team.

You mentioned in your phone call that the Trust Board bank account is currently in deficit and this is affecting your ability to progress PSGE development. I understand that the administrative processing time for claimant funding applications is usually 3 weeks. We will do our best to process your application speedily, however a realistic expectation remains that 3 week timeframe.
